This publication is a dedication of Bangladesh Society of Critical Care Medicine towards knowledge & professional development of critical care practice in Bangladesh & the whole world. It is published semiannually and accepts original article, review article and case reports. We try to accommodate any content which may help in promotion of knowledge, quality of patient care and research potential amongst concerned personnel. While every effort is always made by the Editorial Board to avoid inaccurate or misleading information appearing in the Journal, information within the individual articles are the responsibility of its author(s). Bangladesh Critical Care Journal and its Editorial Board accept no liability whatsoever for the consequences of any such inaccurate and misleading information, opinion or statement.
